INFORMATION FOR SPONSORS

EXCLUSIVE BENEFITS, GREATER VISIBILITY AND INDUSTRY PRESENCE

As a sponsoring brand of the **International Conference: Argentina Copper**, the premier copper event in the region, you will gain access to unique benefits designed to enhance your company's profile and connect with the most influential leaders in the mining sector at the local, regional, and global levels.

This event provides a strategic platform to strengthen business relationships, forge new partnerships, and expand your reach within an industry that is crucial to Argentina's economic development. Sponsorship participation allows your brand to position itself within the copper industry, aligning with the sector's objectives of innovation and sustainability.
